In Memoriam

In loving memory of Myrtle McCormick Guill, who passed away January 29, 1968.
Nothing is the same since you have gone away.
We miss your loving smile and tender care,
That lasted not just a while, but every day of every year.
Loving memories never die, as days roll on and years go by.
Deep in our hearts those memories are kept, for the one we loved and will never forget.
Sadly missed by husband, children and grandchildren

ASCS Today

By Tom Conrad

EMERGENCY FEED PROGRAM (EFP) - The Appomattox ASCS Office is now accepting applications under the Emergency Feed Program. This program was developed to provide assistance to eligible livestock owners in Appomattox County and other designated emergency areas by sharing the cost of feed needed for eligible livestock. The assistance is to prevent widespread liquidation or undue culling of livestock because of the drought last summer and the unusual cold weather and snow this winter.

A producer to be eligible must have suffered a substantial loss in feed normally produced on his farm, he must not have sufficient feed for his livestock for the program period (Jan. 7, 1977 - April 30, 1977), and he must make feed purchases in quantities larger than normal. A producer must also file an application at the ASCS office before April 30, 1977.

The eligible livestock under this program are dairy cows, beef cattle, hogs, sheep and goats. The livestock must have been owned for 6 months or purchased as replacement breeding stock.

Eligible feed for the program may be any type of feed (feed grain, wheat, mixed feed, roughage, etc.). The producer must locate and secure his own feed, and it must have been purchased between January 7 and April 30. For program purposes any feed purchased other than feed grain will be converted to the feed grain equivalent by the ASCS office.

An eligible producer, in order to receive assistance, must submit a voucher or receipt for feed purchased to the ASCS office. The voucher or receipt must be signed by the seller and the applicant. It must show the date, amount, kind & price of feed purchased. The producers should be sure that the kind and type of feed are shown since this information is needed to determine the feed grain equivalent.

The amount of assistance to be paid will be 50 percent of the cost of the feed purchased not to exceed two (2z) cents per pound of feed grain equivalent.

All other details concerning this program can be obtained at the ASCS office.

Special Service Sunday At Galilee

All officers, members and friends are asked to attend the special service at the Galilee Baptist Church this fifth Sunday morning at 11 a.m. The pastor of the church will bring the message and the music will be rendered by the church choirs. The service is given for the benefit of the widows of the church.

Plans have been completed by the Pastors Aid Club of Zion Baptist church to hold its anniversary service on the first Sunday in February at 3 P.M. The Rev. R. Q. Lawing, Jr. will be the guest speaker. Special music will be rendered by the Galilee Senior Choir. The general public is invited to attend.

Chuck Robb, Democratic candidate for Lieutenant Governor, and his wife, Lucy Byrd Johnson Robb, are shown presenting Outstanding Jaycee Award to Barry Beale (right). With Barry is his wife, Catherine.

County Native Culpeper Outstanding Jaycee

Barry Lynn Beale, a native of Pamplin, was awarded the 1976 Culpeper Jaycee Outstanding Young Man Award on January 19, 1977.

Beale, 32, of 1710 General Lee Avenue, Culpeper, said following the awards banquet at the Holiday Inn that he knew nothing about it until his name was called. Although his wife had some advance notice, it was a complete surprise to him.

Beale was cited by Jaycee President Michael Miller as a man "who doesn't seek any publicity for himself, but one who when he says he will do something, you consider the job done."

Beale and his wife, the former Catherine Richardson, daughter of Mr. and Mrs. Thomas Richardson of Appomattox, have three children, Barry Lynn Beale, Jr., Marshall Timothy and Angela Dawn.

He is an employee of Chesapeake and Potomac Telephone Company in Culpeper where he is central office electronics foreman.

The son of Mr. and Mrs. Clayton Beale of Pamplin, he was graduated from Appomattox High School in 1962. He was president of his Senior Class and ranked fifth academically among its pupils. Beale also is a 1964 honor graduate of Danville Technical Institute. Beale was characterized in his nomination as a person who works well with people and holds their respect by setting a good example. He is an active member of Culpeper Jaycees, President of Culpeper Little League Football, Inc., Farmington Elementary School PTO Treasurer and a deacon of Culpeper Baptist Church. He has worked with Boy Scouts and Little Lords softball and helped organize a new Cub Scout den.

Rev. John S. Farrar of Culpeper Baptist Church said in the nomination, "Barry L. Beale is a man deeply dedicated to the welfare of his family. He is a man who takes his responsibility to God very seriously."

"I think he is an asset to the community and to the Young People", said Ken Jennings, Vice-President of the Little League Football, Inc.

"Barry's ability, honesty and integrity have made him an outstanding leader in his chosen profession," said Warren Aycue of the Chesapeake and Potomac Telephone Company.

OAKVILLE

Mr. and Mrs. Jimmy Marshall visited in the home of Mr. and Mrs. Beryl Covington and boys Thursday night.

We are glad to hear that Mrs. Drinkard who is in the hospital in Richmond is improving. We wish for her a speedy recovery.
